SELECTMEN'S REPORT

Financial Condition:

During fiscal 1966 the current deficit of the town was reduced by \$73.91 and the debt was increased by \$3,000 due to issuance of long term notes as authorized by the Town Meeting. The final payment on the Grader is due in 1967 in the amount of \$526.00. A note of \$2,000 was issued for the improvements on the Grange Hall with \$1,000 due in fiscal 1967. Another note of \$1,000 was issued for Highway work of which \$500 is due in 1967.

Highway Department:

The most important improvement in the town highway system was the installation of an aluminum culvert in Clay brook at the site of the T.R.A. project. The Selectmen were informed by the State Highway Dept. that the law forbids the replacement of a bridge by a culvert on such a project. Previously application had been made for State Bridge Aid but the cost to the town would have exceeded the cost of a culvert. A meeting of the Selectmen and the Highway Committee decided that the best interest of the Town would be to buy the culvert and have the T.R.A. crew install it when the road was being constructed. Cost of the culvert was \$2,656.00 delivered on the job.

The Whittemore Point Road was oiled from the residence of John Matthews on Route 3A to the far end of the Tobey Road which included sealing the new portion of the road reconstructed the previous year.

Grange Hall:

With the funds provided by the Town Meeting a concrete block foundation, a forced hot air heating system, the roof on the south side of the hall and the shed were re-shingled. The former kitchen was moved and finished for

the Selectmen's office. Remodeling has been completed providing space for a kitchen and two toilet rooms. Plumbing including water supply to be completed during the year 1967. Space was also provided complete with shelving to house the library books.

As indicated by the budget summary (Exhibit A-4), a revenue surplus of \$367.17, less a net overdraft of appropriations of \$188.35, resulted in a net budget surplus of \$178.82.

*Summary Statement of Receipts & Expenditures:
(Exhibit B-1)*

A summary statement of receipts and expenditures for the fiscal year ended December 31, 1966, made up in accordance with the uniform classification of accounts, is included in Exhibit B-1. Proof of the Treasurer's balance as of December 31, 1966, is indicated in Exhibit B-2.

Statement of Long Term Indebtedness: (Exhibit G)

A statement of outstanding long term indebtedness as of December 31, 1966, showing annual debt service requirements, is contained in Exhibit G.

Audit Procedure

The accounts and records of all town officials charged with the custody, receipt and disbursement of public funds were examined and audited. Vouchers and cancelled checks were compared with supporting invoices and payrolls as well as entries in the books of record. Receipts were checked by source insofar as possible and totals of receipts and expenditures verified. Book balances were verified by comparison with reconciled bank balances made from statements obtained from depository banks. Verification of uncollected taxes was made by mailing notices to delinquent taxpayers as indicated by the Collector's records. The amounts of uncollected and unredeemed taxes as indicated in this report are therefore subject to any changes which may be necessitated by the return of verification notices.

*General Comments**Current (Deficit):*

The current deficit (excess of current liabilities over total assets) decreased by \$73.91, from \$1,991.24 to \$1,917.33 in 1966, as shown herewith:

	12/31/65	12/31/66
<i>Total Assets</i>	\$28,819.91	\$34,306.14
<i>Current Liabilities</i>	30,811.15	36,223.47
<i>Current (Deficit)</i>	<u>(\$1,991.24)</u>	<u>(\$1,917.33)</u>

Surety Bond:

It is recommended that the surety bond of the Town Clerk be reduced from \$4,000.00 to \$1,500.00, inasmuch as the total amount of motor vehicle permits and dog licenses issued by the Clerk in 1966 amounted to less than \$3,200.00.

Conclusion:

The provisions of Chapter 184, of the Laws of 1955, require that this report or the summary of findings and recommendations (letter of transmittal) shall be published in the next annual report of the Town.

We extend our thanks to the officials of the Town of Bridgewater for their assistance during the course of the audit.

Yours very truly,

HAROLD G. FOWLER, *Director*

To the Trustees of the Bridgewater Public Library:

The circulation of children's books was 100 less than in 1965, in spite of the fact that the 6th grade was back with us again. This is probably because the book collection in the school is improving.

No books were purchased for this library in 1966. The money may be needed to improve the new Turnpike Library room and to purchase furniture and supplies for it. It is hoped that some of the books for adults in the River Road Library may be transferred to the Turnpike Station to make more room for the children's books.

Respectfully submitted,

ALICE B. DICKINSON

Librarian
